The Family Care Network Inc. recently received formal accreditation through the California Alliance of Child and Family Services.

Family Care Network has offices in San Luis Obispo and Santa Maria and serves 1,200 children each year. It was recognized for the highest industry standards as a foster family agency and family-based services provider.

The network also received proceeds from the second annual Charity Run in Morro Bay on June 10. The event took place at Fitness Works.

The Morro Bay Fire Department competed with the U.S. Coast Guard in events such as weight-lifting, hose-pulling and speed contests. The event raised \$1,800 for the Family Care Network.
