SAN LUIS OBISPO

The Family Care Network recently held its annual San Luis Obispo County Christmas Open House, a celebration for foster and high-needs children and families. Nearly 300 people were in attendance at the San Luis Obispo Nazarene Church, and over 80 community members volunteered to provide holiday activities.

The agency is in need of gift cards to all-purpose stores like Target and Trader Joes for its Sponsor a Child for Christmas program. To participate, deliver contributions to the Family Care Network, 3765 S. Higuera St., Ste. 100, San Luis Obispo, or call 781-3535.

Twin Cities Community Hospital employees collected 1,294 pounds of food during the Feed the Need food drive. The collected amount was matched by Tenet Healthcare Foundation, and a donation in the amount of \$1,294.00 was presented to the Food Bank Coalition of SLO County.

"Our employees understand that in this prosperous county, some among us go hungry," said Rick Lyons, Chief Executive Officer.

Twin Cities and its sister facility Sierra Vista Regional Medical Center in San Luis Obispo together employ more than 1,700 local residents, making Tenet the second largest private employer in San Luis Obispo County.
