GoodNews!

New Frontiers Natural Marketplace recently donated 5 percent of its sales on Earth Day, or \$1,683, in support of local foster and high-needs children served by the Family Care Network. The donation will directly support critical services that primary program funding sources often restrict, such as music lessons for a young child or helping a foster youth transition to adult independence.

• • •

The Cayucos Garden Club recently donated a 15-gallon California sycamore tree to Cayucos Elementary School in recognition of Arbor Day. Club members include Dixie Lindquist, Betty Hall, Darlene Katherline, Betty Watta
